Dear Howard,

Thanks for your letter of the 18th December. I do appreciate you taking the time to write and say that you had no money for the Pro-Dive Underwater Trail.

We are in the process of preparing a booklet for divers to use and perhaps when this is published I may be able to put an article together hopefully for publication in Microbits.

I was also very pleased recently to present the concept on the Andrew Ollie show on ABC radio.

In the interim with best wishes.
